SHARE YOUR THOUGHTS

Many alumni have said they enjoyed thinking back on how Antioch influenced their lives, both positively and not. Use the text box below to reflect on what the Antioch experience meant for you - for example, your career choices, lifestyle and/or outlook on life. Please limit this section to 300 words or less.

Use the text box below to let your classmates know about your time since Antioch, past and/or present. Feel free to include memories of your time on campus, your co-op jobs (favorite and no-so-favorite), victories for humanity won and issues wrestled with. Have you kept up with Antioch over the years - participated area chapters and/or alumni relations, followed the re-opening and re-accreditation? We all could write volumes, so please limit this to 1000 words or less.
